

User Request to Adjust Deposit Limit

FanDuel wants you to responsibly enjoy our daily fantasy sports contests, and we believe the best way to do that is for you to know your limits and stick to them.

In accordance with state requirements, FanDuel provides this application for you to request an increase to your monthly deposit limit or to set a self-imposed deposit limit.

In order to approve this increase, we are required to evaluate either your income or your asset information. Please complete one of the sections below. Any request for an increase to Level 3 to Level 5 requires proof of either income or assets (e.g., submission of W-2 or bank statement, respectively).

I am requesting an increase to the following Level: _____. I qualify for that level based on either the income or asset levels below.

Income

Player Level	Monthly Deposit Limit	Income
Level 2	\$2,500	\$75,001 to \$150,000
Level 3	\$5,000	\$150,001 to \$250,000 (Proof required)
Level 4	\$10,000	\$250,001 to \$500,000 (Proof required)
Level 5	\$Unlimited	\$500,001 and above (Proof required)

Net Worth (excluding the value of my primary residence).

Player Level	Monthly Deposit Limit	Net Worth (excluding home)
Level 2	\$2,500	\$250,001 to \$500,000
Level 3	\$5,000	\$500,001 to \$750,000 (Proof required)
Level 4	\$10,000	\$750,001 - \$1,000,000 (Proof required)
Level 5	\$Unlimited	\$1,000,001 and above (Proof required)

If your income or net worth substantially exceeds the top values on the chart and you want to play without deposit limits at all, please contact our Key Accounts Team at keyaccounts@fanduel.com.

By signing below, you certify that the above information is accurate, and you have income and assets sufficient to afford losses that might result from your gameplay at your requested level.

If you are requesting an increase to Levels 3-5, please upload a financial statement or income verification document (W-2, 1099, etc.), to support@fanduel.com.
